To Say "Happy Birthday"

Dear Ada

As Birthday Wishes
rang out for you
May all their tones express
The warm, good wish
within my heart
For a year of happiness.

Dear Ada

May anything and everything
That you like best to do
Help make this day in every way
A happy one for you!

MANY HAPPY RETURNS!

Thoughts of You

Bette Weick

Here's hoping that you
Will recover so fast
That your illness will soon
Be a thing of the past
And here's hoping as well,
That as soon as you do
You'll feel better than ever—
And stay that way, too!

A *Get Well* WISH

"The prayer of faith shall save the sick."
— James 5:15

Hope it's only a short sick spell
One very quickly through;
That with God's help you'll soon feel well —
And very happy, too!

Just a
Greeting-Card-Visit

Bette was confirmed with Nildur & they are
still friends. She worked in the Wheaton N. H
while Grandma was living there

to say "HELLO!"

Just thought it would be nice,
somehow,

To drop in for a minute--

To chat a while -

And share a smile,

With warm Good Wishes in it !

Though many are the miles
That keep us apart,
Thoughts about you

Dear Grandma Stomberg,

We thank you for your thoughtfulness in remembering us at Christmas with the lovely and colorful pillow. We will treasure it along with the quiet you made for us.
